Pop-Up Volunteer Protocol & Release

At Nutrition for Learning the health and safety of our staff, volunteers and community participants is our top priority. As a result of COVID-19 we are following the recommendations of the Public Health Agency of Canada and our Region and the World Health Organization.

We are providing temporary mobile “Pop Up Nutrition Breaks” in our school catchment areas throughout the Region. We are actively determining areas of risk and mitigating based on recommendations prescribed by Public Health. We are closely monitoring the situation and will provide timely updates to you if/when we make any changes to our service.

Food Delivery Protocol:

For the health, safety and protection of our front line staff and community participants, you can expect the following service changes and practices during upcoming deliveries: Our drivers are placing the food products at the edge of the truck and will not be passing items to you by hand, but will be placing in a paper bag . We are asking that all people keep a social distance of 2 metres between everyone on the site. The drivers all have washing stations on board and are washing before and after each stop. In addition, they have plastic gloves and sanitizer on board in the truck cabs for their use.

Volunteer Protocol:

No volunteers are permitted on or in our vehicles. Only the NFL drivers or staff can be on board.

If you or your family have been impacted by a case of COVID-19, it is mandatory that you report this information to us immediately.

Please avoid volunteer activities with us if you have travelled to an affected area or have been exposed to a case of COVID-19 within the last 14 days.

Please avoid volunteer activities with us if you are sick. If you develop **fever, cough or difficulty breathing**, please call your health care provider or local public health authority.

To protect those around you, wash your hands often, cover your mouth and nose when coughing or sneezing.

I have read and understand the above volunteer protocol.

I hereby release Nutrition for Learning, its staff, Board members and Directors from any and all liability and/or responsibility for any accidents, injuries or illness that I may sustain while I am performing the duties of a volunteer. I understand that as a volunteer I am not covered under Workers Compensation.
